Description

Description

1. https://demo.guru99.com/ aplication app and run only in Google Chrome Version 27 and above.
2. Enter "user ID" and "password" to get access details to demo site
3. We access the "New Account" submenu and check if the application opens it.
4. We check if in the customer ID field we enter the characters what response the application returns

Reproduction Step:

1. Acces https://demo.guru99.com/ demo application
2. Log is User ID and Password
3. Acces "New account" menu

Expected results : The "Customer ID" field does not accept characters

Actual results : The "Customer ID" field accept characters and the system returns no errors .
